**Eagle Harbor Solutions LLC awarded
Contract to provide Network Analysis, Disaster Recovery and
Cloud Migration Planning for the Office of the Special Trustee
for American Indians at the Department of Interior**

Chantilly, VA (November 30, 2017) – Eagle Harbor Solutions LLC (EHS), a subsidiary of Koniag Government Services, will support the Department of Interior Office of the Special Trustee for American Indians. Under this new contract EHS will review current information technology assets, network architecture and systems to develop a blueprint for moving systems to the cloud thus enabling a more robust disaster recovery and continuity of operations plan. The U.S. Department of the Interior (DOI) Office of the Special Trustee (OST) for American Indians was created to improve the accountability and management of Indian funds held in trust by the Federal Government. As trustee, DOI has the primary fiduciary responsibility to manage both Tribal trust funds and Individual Indian Monies (IIM) accounts. “We are honored to be entrusted with the protection of the data housed in these systems to ensure OST fulfills the requirements of the American Indian Trust Fund Management Reform Act of 1994” said Koniag Government Services CEO Ed O’Hare.
