Chantilly, VA (August 15, 2018) – Inc. This is KSS' second consecutive year to be ranked on this list, representing a three year growth percentage of 187.4%. A mere one in three companies have made it on the list twice.

The 2018 Inc. 5000 achieved an astounding three-year average growth of 538.2%, and a median rate of 171.8%. The Inc. 5000's aggregate revenue was \$206.1 billion in 2017, accounting for 664,095 jobs over the past three years.

First introduced in 1982, the Inc. 5000 evaluates a company's three-year growth history to determine its national ranking. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.
